

Further to the Project Update provided on May 9th, 2025, the below noted updates will be effective starting March 14th, 2025

Resident Building Access

- Resident access to the building will be available from St. Dennis Dr. via the newly installed paved walkways.
- Residents will be able to access the reopened main entry vestibule to the West with an active intercom.
- Residents will be able to access the site via a controlled paved walkway system to ensure safety.
- Exit only from the building North discharge stair will remain unchanged.

Vehicular Access & Parking

- Surface level parking will be accessible from David Salomon Drive.
- Surface level parking spots 188-201, located at the south-east end of the building, can be accessed using the new temporary ramp. Parking spots will be accessed using the existing ramp, through the underground parking, and up to the new temporary ramp to the surface level parking spots. This is temporary and will be revised in the days following.
- All underground parking access will be from the existing ramp until further notice. Once again, this is temporary and will be revised in the days following.
- The north parking lot will be completely vacant and fenced off. Residents will be able to exit from the north staircase, via second floor, only in case of emergencies. All entrance and access is to be conducted at the building lobby entrance or from the rear.
- Clear signage will be in place. There is absolutely **NO PARKING** permitted along any driveways as this is a fire route. All vehicles will be tagged and towed at owners' expense.

Garbage & Recycling

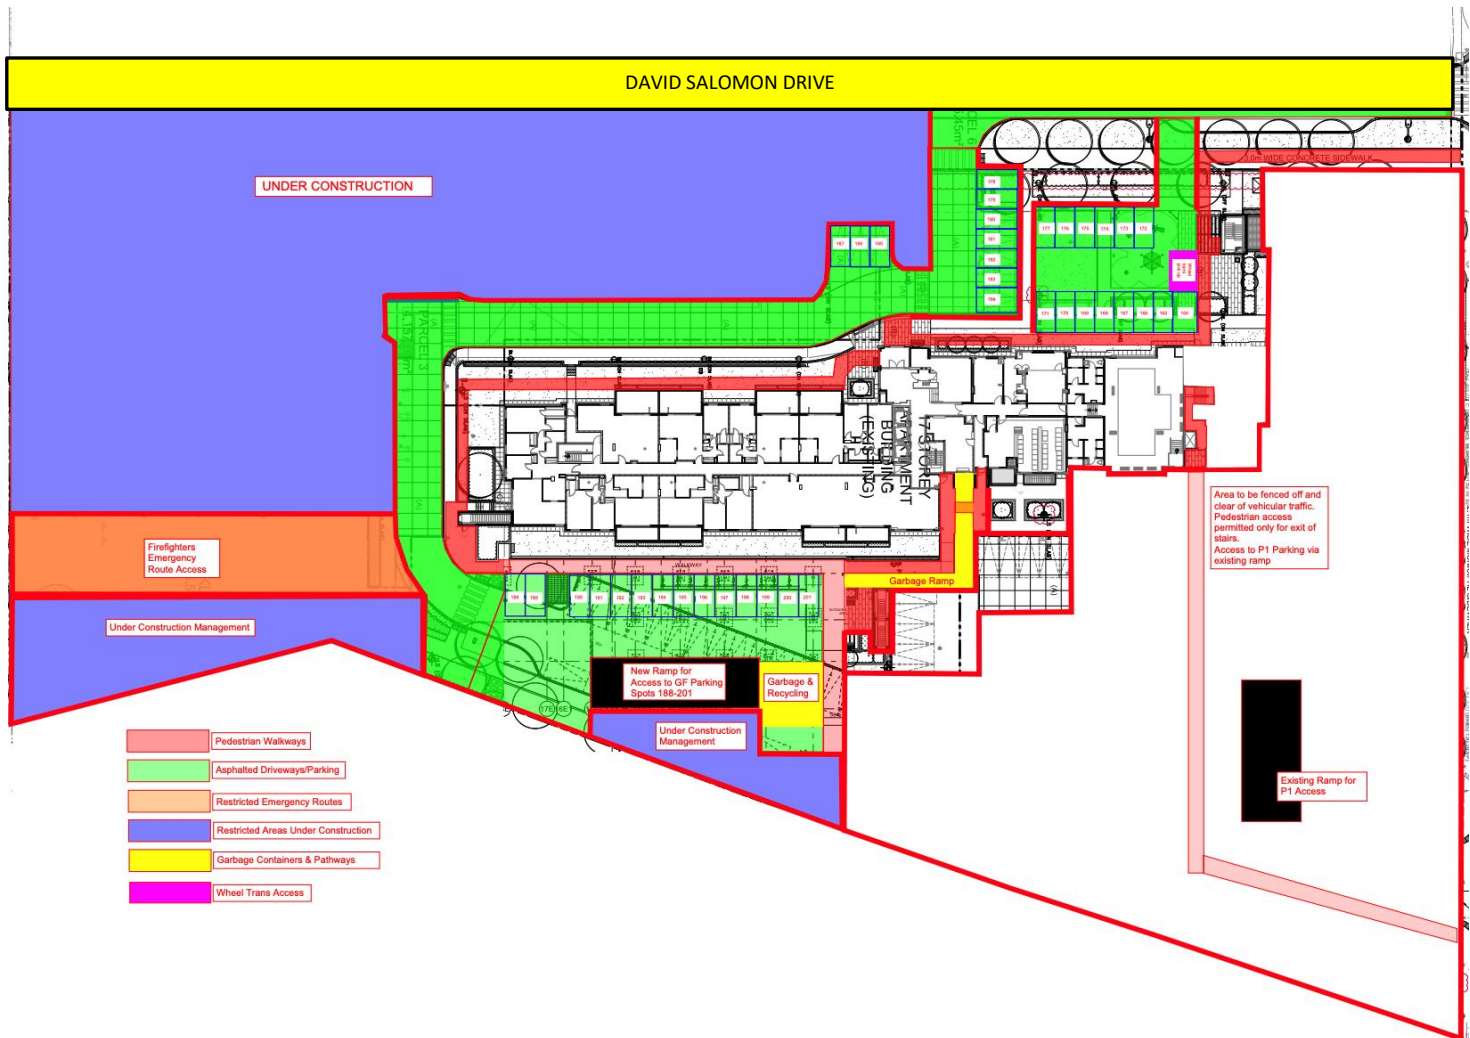

- Location of surface garbage & recycling bins has been relocated per the updated site map.

Wheel Trans

- Wheel-Trans will be conducting pick up and drop off at the designated location included on the updated site map.

Rideshare / Delivery

- Rideshare and courier services will be located at the main entry vestibule accessed from David Salomon Drive.

Please note you may experience dust during this work. All safety measures and necessary hoarding of these areas will be in place. Dust masks are available for delivery to your suite upon request.

If you have any questions or concerns, please do not hesitate to contact us.
