

Further to the Project Update provided on May 14<sup>th</sup>, 2025, please take note of the below.

**Resident Building Access**

- Resident access to the building will be available from St. Dennis Dr. via the newly installed paved walkways.
- Residents will be able to access the reopened main entry vestibule to the West with an active intercom.
- Residents will be able to access the site via a controlled paved walkway system to ensure safety.
- Exit only from the building North discharge stair will be through the Children's Play Area starting June 3<sup>rd</sup>.

**Vehicular Access & Parking**

- Surface level parking will be accessible from David Salomon Drive.
- Effective June 3<sup>rd</sup>, the surface level parking spots 188-201, located at the south-east end of the building, can only be accessed from David Salomon Drive.
- All underground parking will be accessed from the new ramp via David Salomon Drive.
- Clear signage will be in place. There is absolutely **NO PARKING** permitted along any driveways as this is a fire route. All vehicles will be tagged and towed at owners' expense.

**Garbage & Recycling**

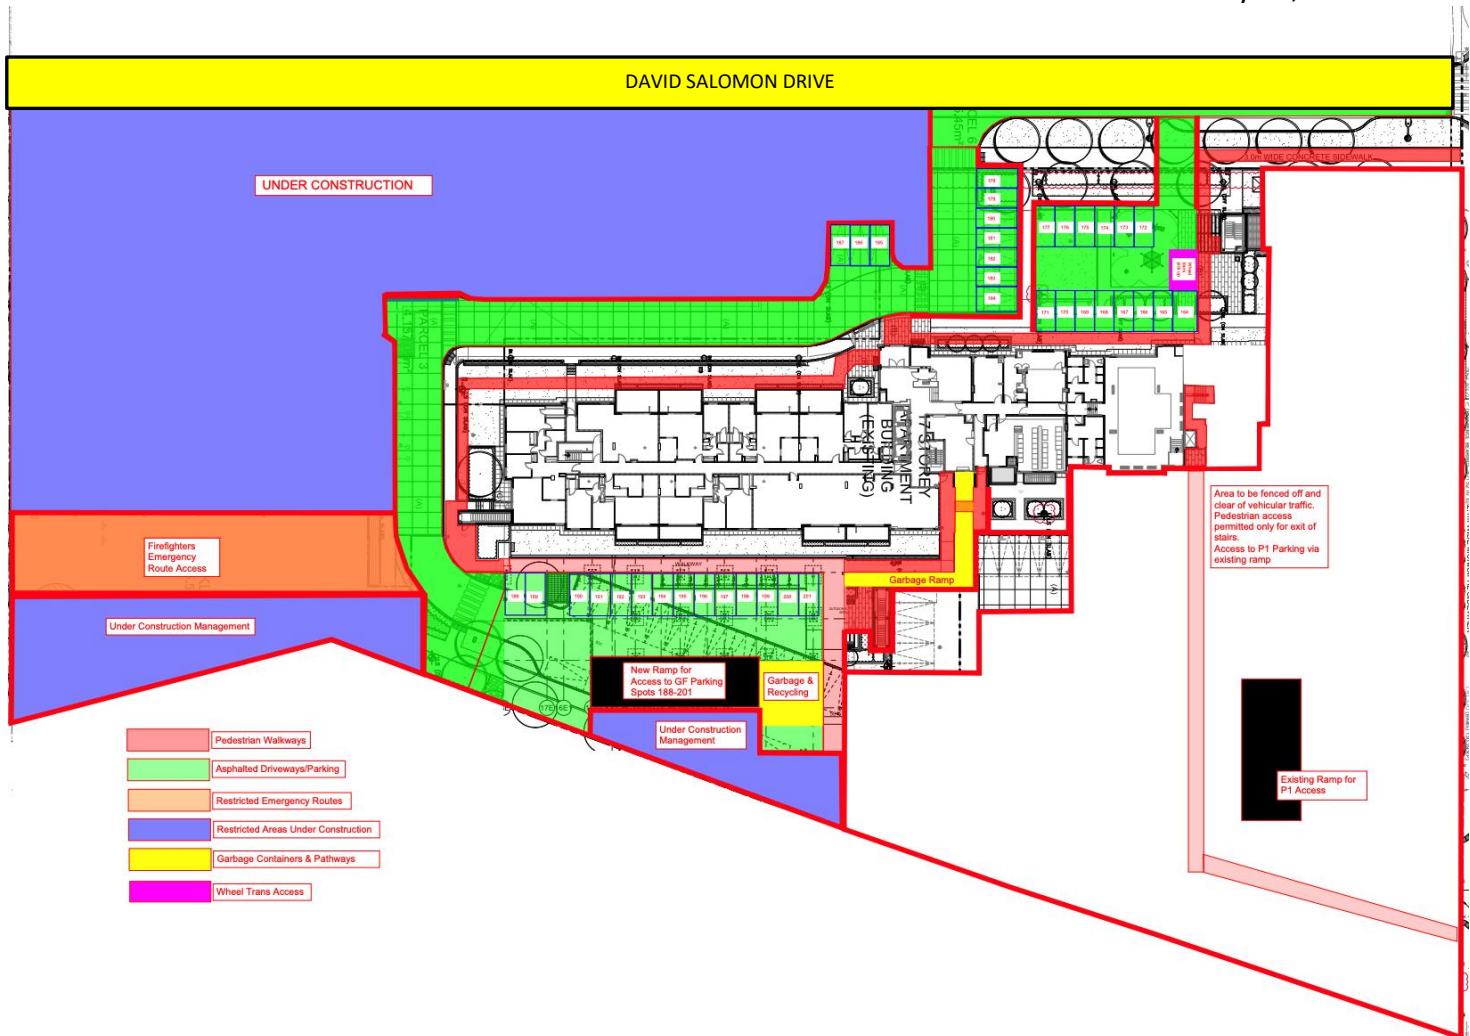

- Location of surface garbage & recycling bins has been relocated per the updated site map.

**Wheel Trans**

- Wheel-Trans will be conducting pick up and drop off at the designated location included on the updated site map.

**Rideshare / Delivery**

- Rideshare and courier services will be located at the main entry vestibule accessed from David Salomon Drive.

Please note you may experience dust during this work. All safety measures and necessary hoarding of these areas will be in place. Dust masks are available for delivery to your suite upon request.

If you have any questions or concerns, please do not hesitate to contact us.
